

# Orchard Home & Garden

*The 5-star Orchard Home & Garden celebrates 21 years in business. Located within an 18<sup>th</sup> century walled garden, it has a stunning botanical glass structure featuring five departments — café, home, pet and aqua-world, outdoor living and garden centre. The Orchard Café seats 180 people and 55 alfresco dining places, serving contemporary food prepared with passion and flair. Relax in a botanical setting — an oasis of tranquillity.*

**1** The Orchard Home and Garden Centre stock a wide range of high quality Neptune garden and conservatory furniture. Inspired by Italian style and panache, the Monaco range features a polished, frost-resistant, durable granite table top which sits astride a maintenance-free galvanized base, matched with lovingly crafted elegant chairs and comfortable cushions.

**2** Understated yet sophisticated style is the hallmark of the Teak Oxford Premier garden furniture range from Neptune. Ensuring timeless elegance, the new round Teak Oxford Premier 150 Premier 6 set will easily seat six people. Comfortable seats are provided with deep luxurious check-cream cushions — splash-proof, removable and machine washable. Sun protection is provided by an elegant and simple cream parasol.

**3** The round Teak Oxford Premier 180 Premier 8 set from the Neptune range is designed to seat eight people with ease. The exquisite high-quality teak timber is accentuated by the addition of a polished granite turn-table, ensuring flawless entertaining. Deep-cream cushions and cream parasol provide timeless appeal. The combination and use of maintenance-free natural materials permits this furniture to remain outdoors all year round.

**4** The delicate romantic design of the Provence Tea-for-Two from the Neptune range is provided by the exquisite curved lines of the seat backs which are designed with an elegant heart motif enclosed within the outer galvanized steel frame. The simple, round, polished granite table-top sits on a galvanized steel base of slim and elegant curved legs and the chairs are of a similar style. The sense of charm is completed by round seats with comfortable round seat pads.

**5** The use of modern materials and simple elegance reflects contemporary design, also ensuring that garden tables and chairs within the Provence range are completely maintenance-free. The practicality of galvanized steel and the beauty of granite are combined in the Provence range of Neptune garden furniture. The Provence 130 from the Neptune range is designed to seat six people and will provide elegance in any garden or patio setting.

4

**6** For a smaller more intimate group the Provence 100 from the Neptune range features a round polished granite table-top complemented by four elegant galvanized steel chairs. Classically chic with clean harmonious lines and using durable and weather-resistant natural materials, the Provence 100 has broad appeal, as it is suitable for use in small or large gardens or patios.

7 The Neptune range includes the Winchester 10 range of teak furniture which features a rectangular table of generous proportions surrounded by ten luxurious recliner teak chairs. The table which measures 428cm by 285cm is designed in a sleek minimalist style and will look equally at home in either an urban or rural setting for the ultimate outdoor dining party.

8 The Provence Ellipse 6 features an oval polished granite table-top with six elegant galvanized steel chairs. The sensuous curve of the oval table is captured again in the design of the chairs which mirror the oval design in the chair back imparting a sense of cool elegance. Luxurious cream cushions and a plain, simple parasol provide a stylish finish.
