

CONTEMPORARY KITCHENS

Clockwise from top left: This spacious german kitchen from **Parkes Interiors** fits perfectly into this contemporary living space. An award winning design that incorporates many unique features to create this iconic kitchen; downdraft extraction, floating breakfast bar, wine cooler recessed into corian worktop, extra deep storage drawers as well as the latest in kitchen appliances. All the furniture in the open plan space work seamlessly together with an abundance of storage solutions. ▸ Sleek anthracite matt glass kitchen with aluminium frame, available from **Beechview Interiors**. ▸ German Engineered kitchen in Lava Black with Matt Textured Finish from **Interior 360**. ▸ **Pedini** Artika model in white high-gloss lacquer. ▸ A stunning bespoke design by **Newcastle Design**. This beautiful hand-painted kitchen is from their Contemporary Collection. ▸ Fully bespoke handleless kitchen only by **Alwood**. ▸ Contemporary style with a classical reference, **Neptune's** Suffolk kitchen follows the classic Shaker style look. The exterior is hand finished in Dover Grey and the interior is in Honed Slate. This kitchen incorporates the full range of technology and techniques from mortise and tenon traditional framing with dowel locks to dimmable lighting with concealed glass shelving as well as their own new magnetic close system.
