

The Heart of the Home

Most people would agree that the kitchen is the most important room in the home. With this in mind, every aspect of your kitchen is carefully considered at Beechview Interiors by its dedicated design team when designing the kitchen of your dreams.

A bespoke in-frame kitchen individually designed to your every need, handcrafted in the style of your choice in any timber or painted finish gives your home that something special.

With limitless options of features both inside and out from concave and convex curved doors to bespoke larder solutions, each kitchen is tailor crafted for each client to ensure that extra special finish both aesthetically and practically.

Also stockists of the Neptune Classics Kitchens, with contemporary lines and traditional detailing, crafted from solid timber using traditional joinery methods, a Neptune handpainted kitchen is built to last a lifetime. With soft close drawers, ziz-zag adjustable shelving and fully framed cabinets all as

standard, a beautiful classic yet functional kitchen is created.

Now also available is the new Henley Oak kitchen from Neptune Classics with the same quality finish as the painted Chichester range with new and exciting features available.

If you dream of contemporary styles, Beechview Interiors can design every detail just for you. Whether it is high gloss chic, stunning glass designs or striking woodgrain effects, Beechview Interiors is sure to impress with style and functionality brought to the forefront.
